**Subject: Intimation of the Biotechnology Capacity Building Cell and Acceptance of the Guidelines for Operating the Cell**

Dear Dr Singh,

Gujarat State Biotechnology Mission is glad to inform you that your application for Undergraduate Capacity Building Cells, has been selected to initiate the cells. It is required that the institute accepts the offer to conduct the crash workshops according to the guidelines decided by this office. The guidelines to be implemented for conducting workshops under UG-BT-CBC are attached to this letter.

As a mark of your acceptance, we request that you read the guidelines thoroughly and reproduce them on letterhead, duly signed by the Coordinator and the Head of the Department. The signature of any other relevant authority, if deemed required, may also be included in the signatures, on the last page of the guidelines. Every page of the guideline has to be duly signed by the Coordinator. Once the signed copy of the guidelines is received, this office will further communicate the next steps.

Regards,

**Dr Anasuya Bhadalkar**

**Subject: Sanction Letter for Entrepreneurship-Capacity Building Cells to Government Science College, Vankal**

Dear Dr Singh,

This has reference to your application for the Entrepreneurship-Capacity Building Cells and, following a presentation meeting held in the Savli Technology & Business Incubator, Vadodara, on 5<sup>th</sup> November 2022, we are pleased to select you as an Entrepreneurship-Capacity Building Cell.

It is required that the institute accept the offer to conduct entrepreneurship-related activities, according to the guidelines decided by this office. The strategy to be implemented for this program is attached to this letter for your perusal.

As a mark of your acceptance, we kindly request that you read the details thoroughly and reproduce them on letterhead, duly signed by your kind self and your Head of Department. Once received, this office will further communicate the next steps.

Regards,

**Dr. Anasuya Bhadalkar**

**Subject: Sanction order for the Innovators of Entrepreneurship Capacity Building Cells [E-CBC] funded by Gujarat State Biotechnology Mission, Department of Science & Technology, Govt. of Gujarat**

Dear Innovator,

Greetings!

We are pleased to announce that you are selected under the scheme Entrepreneurship Capacity Building Cells [E-CBC], to work with the Government Science College, Vankal center. Gujarat State Biotechnology Mission, Government of Gujarat is excited to support and foster the development of your idea. This financial support is intended to facilitate the successful implementation and realization of your innovative vision

The total amount sanctioned for your project is INR 250000. The disbursement of funds will be carried out in installments as per the milestones and progress of the project, subject to the rules and guidelines of the scheme. The 30% advance amount of INR 75000, has already been disbursed in your bank accounts details as provided.

Once again, congratulations on being selected for this scheme. We have high expectations for your project and firmly believe that it will make a significant contribution to society and advance the frontiers of Biotechnology.

Wishing you all the best for a successful and impactful project!
