These time limits for producing the medical certificate are also applicable from the date of appointment to the higher post in cases where fresh medical examination is necessary under sub-rule (4) of rule 15.
- Note 1 :** Rules for the medical examination of the candidates as to their physical fitness for Government service have been embodied in **Appendix-III**.

Note 2 : Part time Government employees should be required to produce medical certificates of fitness in the same manner and under the same condition as applicable to full time Government employees.

Note 3 : In case, however, where a person is required to join immediately for work or for training, appointment may be made without first obtaining the medical certificate but subject to his being declared medically fit by an appropriate Medical Authority. To meet the requirement of Audit, a certificate to the effect that the medical certificate in the prescribed form required under sub-rules (1) and (2) above has been obtained in respect of the Government employee and that he has been declared fit, should be furnished to the Audit. - (4) If Government employee is subsequently appointed to any higher post, fresh medical examination, by appropriate medical authority and in accordance with standard prescribed for the post, shall be necessary except in cases where the medical examination already undergone at the time of initial appointment was of the same standard and by the same medical authority as prescribed for the new appointment or where the new appointment is by way of promotion in the same line of promotion and against promotion quota of vacancies.

Note : The production of a medical certificate is necessary when a person re-employed after resignation or forfeiture of past service.

- (5) Where a candidate for Government service is required to undergo training at Government cost before he is appointed to any post in Government service, such a candidate shall not be admitted to such training unless he is medically examined and found physically fit for the service for which he is required to undergo the training.

- 19 Condition of disabilities when permitted and by whom :** When a candidate for Government service is rejected by the Medical Officer examining him on account of any disability, except eye defects, the Director of Health, Medical Services and Medical

Education, may, upon the request of the Head of the Office, at his discretion, condone such disabilities as are not likely to interfere with the efficiency of the candidate.

20 Acquiring and ceasing of a lien : Unless in any case it be otherwise provided in these rules, a Government employee on substantive appointment to any permanent post acquires in a lien on that post and ceases to hold any lien previously acquired on any other post.

21 Restrictions over holding of lien on posts by Government employee at same time :

(1) Two or more Government employees cannot be appointed substantively to the same permanent post at the same time.

(2) A Government employee cannot be appointed substantively to two or more separate and permanent posts at the same time.

(3) A Government employee cannot be appointed substantively to a post on which another Government employee holds a lien.

22 Retention of lien : Unless his lien is suspended under rule 23 or transferred under rule 26, a Government employee holding substantively a permanent post retains a lien on that post :-

(a) while performing the duties of that post;

(b) while on foreign service or holding a temporary post, or officiating in another post, or holding a post the pay of which is charged to works or contingencies;

(c) during joining time on transfer to another post on lower pay, in which case lien is transferred to the new post from the date on which he is relieved of his duties, in the old post;

(d) while on leave; and

(e) while under suspension.

23 Suspension of a lien : (1) A competent authority shall suspend the lien of a Government employee on a permanent post which he holds substantively if he is appointed in a substantive capacity :

(a) to a tenure post, or

(b) provisionally, to a post on which another Government employee would hold lien had his lien not been suspended under this sub-rule.

(2) A competent authority may, at its option, suspend the lien of a Government employee on a permanent post which he holds substantively if he is deputed out of India or transferred to foreign service or in circumstances not covered by sub-rule (1) of this rule is transferred in an officiating capacity, to a post in another cadre, and if in any of these cases there is reason to believe that he will remain absent from the post on which he holds a lien for a period of not less than three years.

Note : When it is known that a Government employee on transfer to a post outside his cadre is due to retire on superannuation within three years of his transfer, his lien on his cadre post cannot be suspended.

(3) Notwithstanding anything, contained in sub-rule (1) or (2) of this rule, a Government employee's lien on a tenure post may in no circumstances be suspended. If he is appointed substantively to another permanent post, his lien on the tenure post must be terminated.

acquire a lien on it; provided that the arrangements shall be reversed as soon as the suspended lien revives.

Note : When a post is filled substantively under this sub-rule, the appointment will be termed a provisional appointment, the Government employees appointed will hold a provisional lien on the post; and that lien will be liable to suspension under sub-rule (1) but not under sub-rule (2) of this rule.

- (5) A Government employee's lien which has been suspended under sub-rule (1) of this rule shall revive as soon as he ceases to hold a lien on a post of the nature specified in clause (a) or (b) of sub-rule (1).
- (6) A Government employee's lien which has been suspended under sub rule (2) of this rule shall revive as soon as he ceases to be on deputation out of India or on foreign service or to hold a post in another cadre, provided that suspended lien shall not revive because the Government employee takes leave; if there is reason to believe that he will, on return from leave, continue to be on deputation out of India or on foreign service or to hold a post in another cadre and the total period of absence on duty will not fall short of three years or that he will hold substantively a post of the nature specified in clause (a) or (b) of sub-rule (1).

Instruction : Under the existing provisions of this rule, it is possible for more than one person to be appointed in a provisional substantive capacity against a single post. The operation of this rule should, however, be restricted so as to permit only one provisional substantive appointment against one post. Accordingly, the lien acquired by a Government employee on his appointment in a provisionally substantive capacity under sub-rule (4) of this rule, should not be suspended if he is deputed out of India or is transferred to a post of the nature specified in sub-rule (2) of this rule.

24 Suspension of the lien retrospectively and consequential promotion : When suspension of the lien of a Government employee is sanctioned under sub-rule (2) of rule 23, it is permissible retrospectively from the date he is deputed out of India or transferred in an officiating capacity to a post either permanent or temporary in another cadre or from any subsequent date; but whether provisional substantive promotions should be given from that date or from any subsequent date is a matter which is entirely at the discretion of the authority whose duty is to fill up the post if permanently vacant

25 When a lien or a suspended lien cannot be terminated : (1) Except as provided in sub-rule (2) below, a Government employee's lien on a post may in no circumstances be terminated even with his consent, if the result will be to leave him without a lien or a suspended lien upon a permanent post.

Note : In the case of a person in Government service who is appointed as a Member or Chairman of Public Service Commission, his lien in Government service should be terminated automatically from the date he is appointed as a Member or Chairman in view of the article 319 of the Constitution.

26 Transfer of the lien to another post : Subject to the provisions of rule 27, a competent authority may transfer to another permanent post in the same cadre the lien of a Government employee who is not performing the duties of the post to which the lien relates, even if that lien has been suspended.

2) Nothing contained in sub-rule (1) of this rule or in sub-rule (43) of rule-9 shall operate to prevent the re-transfer of a Government employee to the post on which he would hold a lien, had it not been suspended in accordance with the provision of sub-rule (1) of rule-23.

28 Date from which pay and allowances take effect : Subject to any exceptions specifically made in these rules, a Government employee commences or ceases to be entitled to the pay and allowances of a post with effect from the date on which he assumes or relinquishes charge of those duties in the forenoon of that day; otherwise from the following day.

30 How the date of handing over charge is determined : When more than one day is occupied in making over charge, the last day should be entered in the report, and an explanation should be submitted.

In both cases, the report when completed, should be forwarded at once to the Heads of Department. The term 'vacation' in this exception includes holidays.

- (d) In exceptional circumstances, which should be recorded, a competent authority may permit the charge of a post to be made over in the absence of the relieved Government employee by letter or by telegram at or outside the headquarters of the post.

Instruction : It shall be permissible for a Government employee to take over charge on a public holiday provided the procedure laid down in this rule is followed and the charge is handed over by the relieved officer in person; provided further that taking over of charge does not involve handing over and taking over cash and securities.

32 How the date of promotion is determined : The promotion of a Government employee from a lower to a higher post, his duties remaining the same, takes effect from the date on which the vacancy occurs, unless it is otherwise ordered. But when the promotion involves the assumption of a new post with enlarged responsibilities the higher pay is admissible only from the date on which the duties of the new post are taken.

- (b) in the case of a Government employee, the year of whose birth is known but not the date, the 1st July should be treated as the date of birth;

In such cases the age at the time of enrolment (attestation) should be worked out as indicated below:-

- a) Calculate the difference between (i) the date of commanding Officer's signature (vide space provided below serial No.8 in the certificate) and (ii) the date of enrolment;
- b) Deduct the period calculated as per (a) above from the age at the time of completion of the certificate (the date of the completion of the certificate vide serial No.2 in the certificate).

No squint.

Posts for which such a high standard is required -

All Class I and certain Class II posts viz. Medical and Engineering Services, Class II, Superintendents and Sub-Inspectors of Police.

Group 'C'

Note : All those who fall short of the above standard are not necessarily failed but shall be referred to the “Board of Referees” for expert opinion.

ANNEXURE 'B' of APPENDIX- III

(See Rule 6 of Rules in Schedule 'B' of Appendix-III)

Rules for the guidance of the Board of referees

1. **Visual acuity :** An eye that cannot be brought to 6/6 after correction calls for a detailed examination.
2. **Pupil reaction :** A sluggishly reacting pupil is an eye for detailed examination.
3. **Fundus changes in Myopia :** A general rarified appearance of the fundus, particularly in the centro-coecal and anterior parts; a temporal crescent with its points almost meeting to form an annual ring round the disc and pigment degeneration are signs of grave import and ground for failing a candidate.

In a high degree of myopia a narrow temporal crescent in itself must not be a criterion for failing a candidate.

Fundus diseases : In other fundus diseases all lesions of a progressive nature are grounds for failing.

4. **Refractive error :** But for posts under Group 'A' under the preliminary visual standards, the standards may be considerably relaxed. More attention is to be paid to the type of refractive error than the degree. In this measurement of the radius of curvature of the cornea and its refractive power and the condition of the eye grounds and vitreous will determine a physiological or a pathological error. Thus a myopia of 10 D with a corneal refraction of 45 D or 46 D (normal 44 D) and healthy eye-grounds and no vitreous opacities is no risk myopia whereas a myopia of 4 D with a corneal refractive power of 44 D or less with a rarified anterior choroid is a full-risk myopia and may be disqualified. Thus no limit is set for the degree of myopia for the expert referees.

5. **Amblyopia** : If one eye vision is defective from whatever cause (squint, opacity, muscular trouble) it matters little then whether the eye has vision finger counting at 6 meters or 6/12. That eye is useless for central vision, in the presence of the better eye. The only concern there is: (a) whether the eye has good peripheral vision. (b) does the condition in that eye constitute a danger by itself? If the eye has good peripheral vision, the person can do any duty that does not require binocular vision. All causes giving rise to defective vision in one eye from an opacity, fundus disease or squint, paralytic or non-paralytic or external disease should be investigated in every case and the capacity of that person to fit for the duty he is expected to do, is assessed by the Expert Board. In that direction special attention should be given to whether such an eye condition suggests a possibility of similar developing in the other eye.
6. In the event of any doubts as to the progressibility or otherwise of any case the Board reserves the right of examining the case once in every year and to defer its final decision until three years have passed.
