## UDISHA 2018–19 Report

Government science college, Vankal, organized various lectures on Basic English, Reading skill, Interpersonal skill and Interview skill under the UDISHA-Project in the academic year 2018–19. It was carried out by Dr. Meghna Adhvaryu and members of the committee. Under this project, the students were guided by experts Vrutika B. Chaudhari, Priya S. Gamit, Avinash Chaudhari, Manisha N. Chaudhari and Ruchi M. Patel from Government Science College Vankal and other institutes. Main key points of these skills are as below:

### Basic English:

- UDISHA participants generally have a basic understanding of English vocabulary and grammar, but may struggle with pronunciation, sentence structure, and idiomatic expressions.
- Many participants have limited exposure to English language instruction before entering the program, so their proficiency in reading, writing, and speaking may be limited.
- However, with targeted instruction and practice, UDISHA participants can improve their basic English skills.

### Reading Skill:

- Many UDISHA participants may struggle with reading comprehension due to limited English proficiency and lack of exposure to reading materials.
- Participants may benefit from guided reading instruction, vocabulary building activities, and opportunities to read aloud to improve their fluency and comprehension.
- With practice and support, UDISHA participants can develop their reading skills and become more confident readers.

### Interpersonal Skill:

- UDISHA participants often have strong social skills and are eager to interact with others.
- They are generally respectful of others and value relationships.
- However, some participants may struggle with communication barriers due to limited English proficiency, which can make it difficult to fully express themselves or understand others.
- With training in communication strategies and role-playing exercises, UDISHA participants can develop their interpersonal skills and become more effective communicators.

### **Interview Skill:**

- Many UDISHA participants may feel nervous or intimidated during interviews due to limited English proficiency or lack of experience with formal interviewing.
- Participants may struggle to articulate their thoughts or experiences clearly or confidently.
- With preparation and guidance, UDISHA participants can learn to relax during interviews, practice answering common interview questions, and develop confidence in their ability to communicate effectively.
- Role-playing exercises and mock interviews can help participants prepare for the interview process and build their confidence.
