

Report on Alumni Association Donation to Government Science College, Vankal.

Introduction: The Alumni Association of Government Science College, Vankal, has continued its tradition of supporting the alma mater by generously donating essential items to enhance the educational environment. This report details the recent contributions made by the Alumni Association.

Alumni Association is informed to nurture the alumni and to facilitate contributing significantly to the development of the institution through financial and non-financial means, Institutional Vision, Leadership and Strategy Development. It also provides them with job opportunities and can improve their knowledge.

Alumni play an active role in voluntary programs like mentoring students in their areas of expertise. They can inspire individuals to pursue their professional goals with passion and commitment. Alumni get in touch with students and share their expertise and best practices in a given field

Donation Details:

1. Books:

- The Alumni Association donated a significant collection of academic and reference books to the college library. These books cover a wide range of subjects including science, technology, literature, and history. This contribution aims to enrich the resources available to students and faculty, fostering a culture of learning and research within the institution.

2. Clock:

- In addition to books, the Alumni Association gifted a large, prominently displayed clock for one of the main academic halls. This addition serves both a functional and symbolic purpose, ensuring students and faculty are punctual and emphasizing the timeless bond between the alumni and the college.

3. Water Jug:

- Understanding the importance of hydration, especially in a learning environment, the Alumni Association also donated a durable water jug for use in classrooms and common areas. This contribution promotes health and well-being among students and staff, encouraging them to stay refreshed throughout the day.

Impact: The donations made by the Alumni Association have already begun to make a positive impact within the college community:

- **Academic Advancement:** The new books have expanded the resources available to students, aiding them in their studies and research projects.
- **Enhanced Environment:** The clock and water jug contribute to a more organized and comfortable learning environment, promoting efficiency and well-being among students and faculty alike.

Government Science College
At. Po. Vankal,
Tal. Mangrol, Dist. Surat

The Alumni Association of Government Science College, Vankal, through its generous donations of books, a clock, and a water jug, has demonstrated its unwavering commitment to supporting educational excellence and student welfare. These contributions not only enrich the college's academic resources but also strengthen the bond between past and present students. The association looks forward to continuing its support and contributing further to the growth and success of the institution.
