Ban on Single-Use Plastic in College Campus

Dear Students, staff and visitors,

In our commitment to environmental sustainability, we are pleased to announce that our college is implementing a ban on single-use plastics effective immediately. This includes plastic bags, bottles, straws, and utensils. We encourage everyone to bring reusable alternatives and support our efforts in creating a greener campus.

Use of Separate Dustbins for Dry and Wet Garbage

Dear Students, Staff and Visitors

To enhance our campus's waste management practices and promote environmental responsibility, we are introducing separate dustbins for dry and wet garbage across the college premises. This initiative aims to facilitate proper disposal and recycling of waste materials.

Please ensure that you use the designated bins accordingly:

- Green bins for wet (organic) waste such as food scraps and paper towels.
- Blue bins for dry (recyclable) waste such as paper, plastic bottles, and cans.

Your cooperation in segregating waste correctly will contribute significantly to our efforts in maintaining a clean and sustainable campus environment.
