Ref: IQAC meeting minutes of date 12/06/2018

Subject: Policy Directive on Open Access of Library Facility for Residents of Surrounding Area

I hope this message finds you well. I am writing this to inform you of a new policy initiative on the recommendation of IQAC regarding the provision of the open access of our college library facility to residents of the surrounding area.

Effective immediately, we are extending our library services to include residents of the community surrounding our college. This initiative aims to promote community engagement, lifelong learning, and academic enrichment beyond our student and faculty population.

As the librarian overseeing the day-to-day operations of our library, your role in ensuring the smooth implementation of this policy is crucial. Here are some key points to consider:

1. **Library Access:** Residents will be permitted to access our library premises during regular operating hours. They should be made aware of any specific entry procedures or library card registration requirements necessary for access.
2. **Service Provision:** Please ensure that library services such as borrowing privileges, reference assistance, and computer access are extended to residents upon presentation of a valid identification and completion of necessary registration forms.
3. **Policy Communication:** Work with our administrative team to draft clear and informative signage, as well as informational materials, outlining the guidelines and benefits of this new policy for residents. These materials should be prominently displayed and easily accessible within the library.
4. **Community Engagement:** Consider organizing special events, workshops, or outreach programs aimed at introducing residents to the library resources and promoting active participation in library activities.

I trust in your expertise and dedication to ensure that our library continues to serve as a valuable resource not only for our college community but also for the broader community

surrounding us. Your leadership in facilitating this initiative will contribute significantly to strengthening our college's relationship with our neighbors.

Thank you for your attention to this matter. Should you have any questions or require further clarification on any aspect of this policy, please do not hesitate to reach out to me directly.

Warm regards,

Praveen
